# SUMMER PROGRAMMES 2017

## GEM SUMMER PROGRAMMES 2017

Global Educational Matters Limited (GEM) in association with its Partner Institutes across United Kingdom is pleased to announce its upcoming and popular summer programmes for the 2017 Summer Intake and for which the bookings are now open on a first come first serve basis.

These courses offer a wide choice of academic options, course duration and leisure activities and which are catered to the needs of each and every individual group.

### Academic skills based summer programmes highlights

#### Basic Information

Academic summer packages offer the perfect opportunity to learn new academic skills and experience academic life within UK Universities and colleges by providing this opportunity to students to experience it first-hand. These courses are designed to cater to individual needs and start from the very basic introduction to an extensive understanding of a particular area or subject of interest.

The students will also, for credit bearing programmes\*, receive the University's official transcript for 15 UK credits, which is equivalent to 7.5 ECTS and 3 US credits. Please refer to individual packages on offer.\*\*

\*For students who meet English language (IELTS 5.5 or equivalent) or certificate of attendance for those who are unable to demonstrate required competence in the English language.

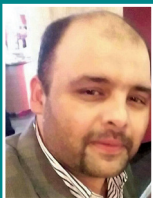

\*\* Please note that these are very popular with students and groups from the Middle East and the Subcontinent and therefore we will only be able to serve on a first come first serve basis.

#### Accommodation

Single en-suite bedroom, free internet access, private shower, toilet and sink, with a large bed, plenty of storage, desk and a chair will be provided to each student.

#### Dates applicable:

01 June 2016 till 15 October 2016.
